Level of Description: item

Administrative/Biographical History:

1 **1920, March 28**

Letter of John Thomson, later Professor of Paediatrics, Leeds University, to Dr David Greig concerning medical references to an 'Anatomischer Wunder mensch' shown in the Carnival in the Waverley Market ca 1891-5, who had an 'extraordinarily elastic state of his skin, so that, if it was pinched up, it could be stretched to a very extraordinary extent'.
